

NASBP Communications

Pipeline – is a NASBP bi-monthly e-newsletter focused on Association-specific topics and surety matters.

Surety Bond Quarterly – is NASBP’s quarterly magazine, available in print and digital formats. *The Surety Bond Quarterly* website houses magazine content as well as online exclusive stories for persons interested in surety matters.

NASBP SmartBrief – is NASBP’s weekly e-newsletter that provides curated summaries of relevant news articles of interest to surety and allied professionals.

Focal Point – is an e-newsletter that provides coverage of legislative and regulatory developments impacting surety at federal and state levels and which is regularly distributed during the state legislative season.

NASBP Blogs – serve NASBP members by providing quick, timely information about surety matters. Many of these are written by industry attorneys, CPAs, and consultants.

“Let’s Get Surety: Let Me Hear Your Bonding Talk” podcast – is one of NASBP’s newest endeavors and features quick-hitting audio-casts on timely surety and surety-related topics. Each episode features one or more guests.

Sponsored Thought Leadership eblast – enables surety professionals to stay informed about important industry topics and developments to advance their skills and knowledge.

NASBP Highlights-Year in Review – is the Association’s annual publication, available in print and digital formats, that summarizes the principal accomplishments of the Association over the course of that year.
